

LANGLEY RESEARCH CENTER

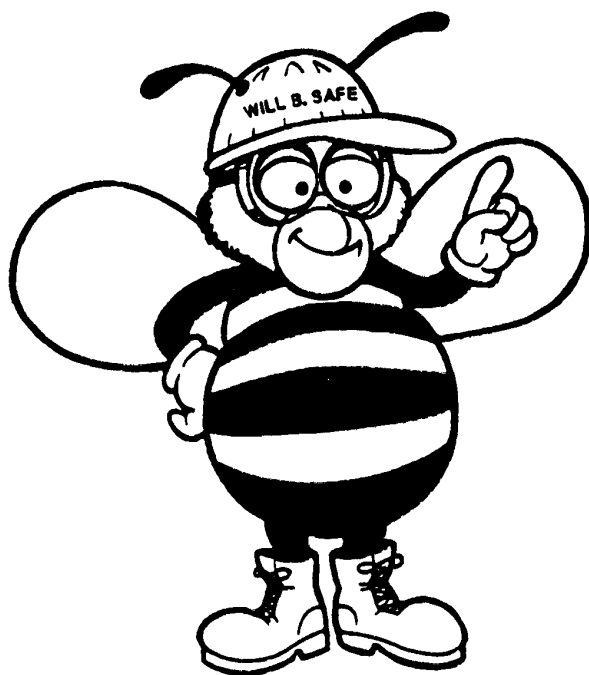

SA-15-88

DATE: December 21, 1988

TO: All Employees

FROM: 429/Safety Manager, Head, Safety Engineering Branch, SSQRD

SUBJECT: New Safety Office Phone Number

We want to introduce you to the newest member
of our LaRC Safety Staff--

WILL B. SAFE

He flew in from Safety City, USA this week to head
up our safety awareness program for fiscal year 1989

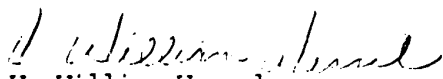

As his first job, we asked Will B. Safe to tell you
about the new Safety Office phone number. The new
phone system can be used to call on site numbers
starting December 16, 1988 with final cutover
expected on January 13, 1989.

**TO REPORT AN ACCIDENT, INJURY
OR SAFETY RELATED PROBLEM, CALL--
43367 - ON NEW SYSTEM
2964 - ON OLD SYSTEM**

THE EMERGENCY NUMBER REMAINS 42222

Additional information on reporting accidents, injuries and safety matters is in LMI 1700.4.

Thanks Will B. -- We're looking forward to a very safe 1989!
